

# Neil Twist armchair

Designer	Jean Marie Massaud
Year	2019-2020

The Neil Twist collection elegantly meets outdoor needs, combining design and functionality. The armchair version offers maximum comfort in residential and contract outdoor spaces, thanks to its modern and refined profile. Available with or without armrests, the supporting steel structure is wrapped in an exclusive rope weave, offered in four colour options, and features a distinctive detail: a contrasting stitch in glossy anthracite. Whether used individually or paired with other elements, the Neil Twist Armchair helps create a convivial atmosphere, perfect for relaxing while surrounded by nature.

## Shell

Load-bearing seating structure made of steel, woven with high-tenacity polyester cord, solution-dyed, guaranteeing high resistance to atmospheric agents, light, and abrasions, with stretch resistance.

## Frame

Load-bearing frame in matt epoxy powder-coated steel rod, with a specific treatment for outdoor use.
